GREEN ESCAPE KAYAK TOUR

See Birmingham from a duck's perspective! Our kayak guides will lead you out of the hustle and bustle of the city to show you Birmingham's blue corridor that connects many of its green spaces and reveals a different side to the city. We'll travel along the Soho loop, a section of canal that connects many green spaces and is used by the wildlife as a quick shortcut, so expect to see some local wildlife; if you are extremely lucky you may even catch a glimpse of the illusive otters that frequent this section.

ON THE DAY

- Meet your tour guides in the Roundhouse Visitor Centre 15 minutes before your tour's start time. Location on What3Words.com is [///daily.froth.forks](https://www.what3words.com/daily.froth.forks)
- If you have any issues finding your way or are running late, call the Roundhouse Visitor Centre on 0121 716 4077 and we'll let your guide know.
- Make sure to keep an eye on the weather forecast; prepare for the sun or the rain.
- It's quite noisy in the city, so we use a tour guide audio system to ensure everyone can hear. We will also provide every participant with a buoyancy aid, regardless of their swimming ability, so that should you fall in you'll be safe.
- This tour is great for those with previous experience or who have already attended our Bustling Birmingham tour.
- We will be kayaking approximately 5 miles in total. From introductions through to a chat at the end, you should budget around two hours for this guided experience, with 90 minutes on the water.

HELPFUL INFO

You will get a wet lower half, because our kayakers sit on top kayakers, you are exposed to the drips from your paddles and splashes.

It is best to wear gym style clothing because these won't hold any water when wet; jeans, leather and wool are not made for getting wet. Everyone must wear footwear; old trainers, crocs, flip flops are all great.

We have lockers available for your valuables and bags. We strongly recommend that no phones, wallets, sunglasses are taken on the water.

Roundhouse tour visitors get 20% off food and drink at the Distillery pub next door using your ticket. Book ahead here: <https://thedistillerybirmingham.co.uk/>

ACCESSIBILITY

Some information around accessibility for your kayaking tour:

We use a bone conduction system for our headsets, if you are unsure whether this system will work for you please get in touch.

You'll need a basic level of fitness (walking up the stairs without being out of breath) to fully enjoy this experience. If you have any questions or concerns, please get in touch.

When you arrive at the Roundhouse, the cobbled courtyard is quite steep and a little uneven in places. Please make sure to wear sensible footwear.
