INTRODUCING THE ROUNDHOUSE

What was the Roundhouse? What is the Roundhouse now? And why is it round?

Join us for an informal and story-based introductory guided tour at the Roundhouse.

#SeeTheCityDifferently

A curious survivor of horses, manual workers, dereliction drama, live music and (almost) puppets. This tour has an interactive twist or two, so be prepared to get involved... Check the weather, stretch your legs, and bring an inquisitive disposition. See you there!

ON THE DAY

- Meet your tour guides in the Roundhouse Visitor Centre 10 minutes before your tour's start time. Location on What3Words.com is [///daily.froth.forks](https://www.what3words.com/daily.froth.forks)
- If you have any issues finding your way or are running late, call the Roundhouse Visitor Centre on 0121 716 4077 and we'll let your guide know.
- Make sure to keep an eye on the weather forecast as the tour is mostly outside; so prepare for the sun or the rain.
- Its quite noisy in the city, so we use a tour guide audio system to ensure everyone can hear. We do have disposable earphones for the group, but we'd love you to bring along your own headphones if you have them. You'll need headphones with standard "mini-jack" connection, as pictured.

THE TOUR

The tour covers a range of Birmingham history, personal stories and lesser-known information about the Roundhouse.

Starting at the Visitor Centre, discover the Roundhouse's story on its journey from busy, noisy Victorian depot, right through to modern-day hub with a new lease of life.

Roundhouse tour visitors get 20% off food and drink at the Distillery pub next door using your ticket.

ACCESSIBILITY

Some information around accessibility for your walking tour:

Hearing induction loop. Our tour guide system has an induction loop option which is compatible with analogue and digital hearing aids when set to "T". Let us know if there are members of the group that would like to use these.

The route is free of steps and slopes, but the Roundhouse courtyard is laid to cobbles and is quite steep and uneven in places. Please make sure to wear sensible footwear.
