#SeeTheCityDifferently

B is for Birmingham. And Bab. It's for Balti, Black Sabbath, and Broad Street. B is also for Bingo! Join us for our summer city walking tour exploring Birmingham in search of the amazing innovations, music, and culture that the city has produced, all while ticking off some brilliant Birmingham "Bs" on your bingo card as you go. At the start of the tour you'll be split into small groups and given a bingo card, so keep an ear (and an eye out) for the brilliant Birmingham 'Bs' as you make your way around Birmingham, there's a prize in it for the winner...

## ON THE DAY

- Meet your tour guides in the Roundhouse Visitor Centre, where you'll be set up with our audio system.
- Its quite noisy in the city, so we use a tour guide audio system to ensure everyone can hear. Please do bring along your own headphones if you have them. You'll need headphones with standard "mini-jack" connection, as pictured. (We will have enough disposable earphones for the group, but for we'd like to limit the amount of disposables that we use when we can)
- If you are running late, call the Roundhouse Visitor Centre on 0121 716 4077 and we'll let your guide know.
- Make sure to keep an eye on the weather forecast as the tour is
- mostly outside; so prepare for the sun or the rain.

## ACCESSIBILITY

When you arrive at the Roundhouse, the cobbled courtyard is quite steep and a little uneven in places. Please make sure to wear sensible footwear.

The route is designed with access in mind, avoiding stairs where possible. At one part of the tour, there are steps, but there is a lift to use. There are one or two slightly steep inclines around the Brindley Place.

Hearing induction loop. Our tour guide system has an induction loop option which is compatible with analogue and digital hearing aids when set to "T". Let us know if there are members of the group that would like to use these.
